

MIND OVER MEDIA

Student Video Contest Initiative

In partnership with  CENTER for TOMORROW'S LEADERS

We are organizing a student focused educational video contest to raise awareness about the effects of social media use on young people in **Hawaii**.

Program Overview

This initiative invites elementary school students to create short videos exploring the risks and impacts of social media. The program promotes:

- Critical thinking about online habits
- Media literacy and digital awareness
- Creativity through video production
- Student-led research and discussion

Who Can Participate

- Elementary school students
- Must attend a school in **Hawaii Kai** area

Educational Component

Following the winners' announcement, a **professional** in the field will **deliver a talk** on the subject, giving students expert insight into healthy technology.

Support & Sponsorship Opportunities

We are seeking **community partners** and **financial sponsors** to help make this educational initiative possible.

 **Student prizes**

 Food and refreshments

 Guest speaker / field expert

 Venue and event setup costs

Sponsors will be **recognized** during the event and on our **website**, highlighting their support for youth education and digital wellbeing in the Hawaii Kai and surrounding community.
